

How to find us!

Sat Nav: TF8 7BJ

Trailers:

- From the M54, exit at Junction 6 and follow the signs for the Ironbridge Gorge (A5223). This will bring you to the Jiggers Bank roundabout (top left).
- From Jiggers Bank roundabout follow the signs for Much Wenlock which will take you down the Ironbridge Bypass (A4169).
- At the bottom of the hill turn left, signed Much Wenlock and then immediately left again onto Buildwas Road, signed Ironbridge
- Carry on past the Power Station entrance and under a railway bridge and continue past the Regatta Field entrance. **PLEASE DO NOT ATTEMPT TO TAKE TRAILERS DOWN THIS PATH.**
- Just before the next mini-roundabout, turn right into Dale End Car Park. Drive through the car park towards the river where you then turn right again along the river bank.
- Follow the track until you reach the trailer park adjacent to the river and Club. **Please follow signs for 'trailers'.**

Cars:

- If you are not towing, exit the M54 at Junction 4 or 6 and follow the signs for Ironbridge.
- You can drive down into Ironbridge itself, along the Wharfage until you reach a mini-roundabout.
- Go straight over the roundabout onto Buildwas Road and past Dale End Park.
- Carry on for 600m until you see the sign for Ironbridge Rowing Club and turn left into the Regatta Field.
- If you go under a railway bridge driving away from Ironbridge, you have gone too far.

From the A442: follow the instructions above by first making your way to Jiggers Bank (the A442 becomes the A4169) and following the signs for Much Wenlock.

Trailers should most definitely avoid the Wharfage as it is very narrow and full of speed bumps.

If you get lost, give us a call **01952 432798** (IRC Regatta Committee)

Have a safe journey!!
